

PowerSchool: Parent Single Sign-on

Access all of your students with one login

Marion Public Schools will again use PowerSchool this year to provide you with information regarding your student's academic progress. PowerSchool is a web-based program which allows parents and students to access grades, attendance, discipline, and other information via the internet.

A new feature this year is the Parent Single Sign-On. PowerSchool has developed a process to allow you to view information about multiple students using a single username and password that you create.

All parents/guardians must first create an account, even if you had an account last year, follow the information below.

To create an account:

1. Navigate to the PowerSchool Parent Portal by selecting the "PowerSchool" button on the USD 408 Schools Website. or click on this link it will open in a new window- [Powerschool button](#)
2. Towrd the bottom of the page, select the button "Create Account".

Create an Account

Create a parent/guardian account that allows you to view all of your students with one login account. You can also manage your account preferences. [Learn more.](#)

3. Enter your name, email address, and create a unique username and password.
* **Your username needs to be different than the one used last year!**

The screenshot shows a web form with two main sections. The first section, titled "Create Parent/Guardian Account", contains six input fields: "First Name", "Last Name", "Email", "Desired User Name", "Password", and "Re-enter Password". The "Password" field has a small grey box to its right. The second section, titled "Link Students to Account", contains a heading "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent/Guardian Account" and a table with seven rows. Each row has four columns: "Student Name", "Access ID", "Access Password", and "Relationship". The "Relationship" column contains a dropdown menu with "-- Choose" and a blue arrow. At the bottom right of the form is a blue "enter" button.

4. On the bottom of the page, enter each student's "access id" and "access password".

The access id and access password are the Parent Web ID and Parent Password that have been used in the past.

If you do not remember this information, please email – Jim Versch- verscjim@usd408.com

Students will continue to login to PowerSchool as they have in the past, using their assigned username and password.

If you have any questions, please contact Jim Versch at Marion High School, Telephone 620-382-2168 or email- verscjim@usd408.com
